

THE
WHITEHALL

PUBLISHED BY THE SENIOR CLASS
WHITEHALL HIGH SCHOOL
HOKENDAUQUA, PA. VOLUME XXVII

THE 1946

OUR ALMA MATER

The youth that from his mother's home goes forth to
Whitehall high,
Can ne'er be said to wildly roam, or fade in clouds well
nigh;
So let us now the truth bestow, and here our altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

When poverty ensnares the home, poor girls will sob and
weep,
Or, if their strength won't let them come, they'll soon in
silence sleep;
And, so, with love and sacrifice, to her let's altars raise,
And our dear Alma Mater praise, our Alma Mater praise.

Her graduates are strong and firm, and build both hearth
and home;
Her sons and daughters will each term back to her altars
roam,
And there will bend and bow and pray, until a shrine they
raise,
And their dear Alma Mater praise, their Alma Mater
praise.

—Heilman

Board of Education

The Class of 1946 wishes to express its appreciation to these men who regulate the funds and who contribute so unselfishly of their time to the needs of our school.

We realize that without their planning and supervision our educational system would not be successful.

They are, indeed, the backbone of our American way of life; therefore, the Class of 1946 silently salutes them.

Senior Class History

We, the seniors of Whitehall, are at the end of our high school career and are standing on the threshold of a new life — making our way in the world.

Our class has entered into the spirit of Whitehall and has added to its prestige and honor. We feel that our accomplishments far outweigh our misdeeds.

Our class is the first to be graduated since the termination of hostilities. It is with a feeling of great pride that we assume our responsibility in maintaining a peace for which preceding graduates have fought and won so valiantly.

May we leave Whitehall with a determination to better ourselves, our community, our country, and the world.

May the underclassmen profit by our experiences and uphold the name of Whitehall.

Junior Class History

After having completed three years at Whitehall, we, the class of '47, look toward our ultimate goal — graduation.

Looking back, we view with pride the activities in which we have engaged. In our activities a fine spirit of cooperation prevailed, and we feel that we have made some lasting friendships. It is our sincere hope that this same spirit will continue to flourish in our associations in and out of school.

We look forward to our last year with renewed vigor and the will to establish a good and lasting record at Whitehall.

CLASS FLOWER—Yellow Rose.

CLASS COLORS—Navy Blue and Gold.

CLASS MOTTO—Let us be seen by our deeds.

Sophomore Class History

We, the class of '48, have completed the first half of our high school education. (We think it has been a most successful period, both educationally and socially.) We have taken part in clubs, student council, and social functions. We always tried to do what we could to improve the fraternal spirit throughout the school.

We thank the class of '46 for the cooperative spirit they have shown toward all classes and wish them the best of luck and unlimited success in the years to come.

CLASS COLORS—Navy Blue and Gold.

CLASS FLOWER—Gardenia.

CLASS MOTTO—To strive, to seek, to find, but not to yield.

Freshman Class History

The class of '49 has just finished their freshman year at Whitehall High School.

Upon entering Whitehall it was our desire to establish a reputation equal to none.

As far as school spirit is concerned, we are not lacking, for we were well represented in athletics, music, and club activities.

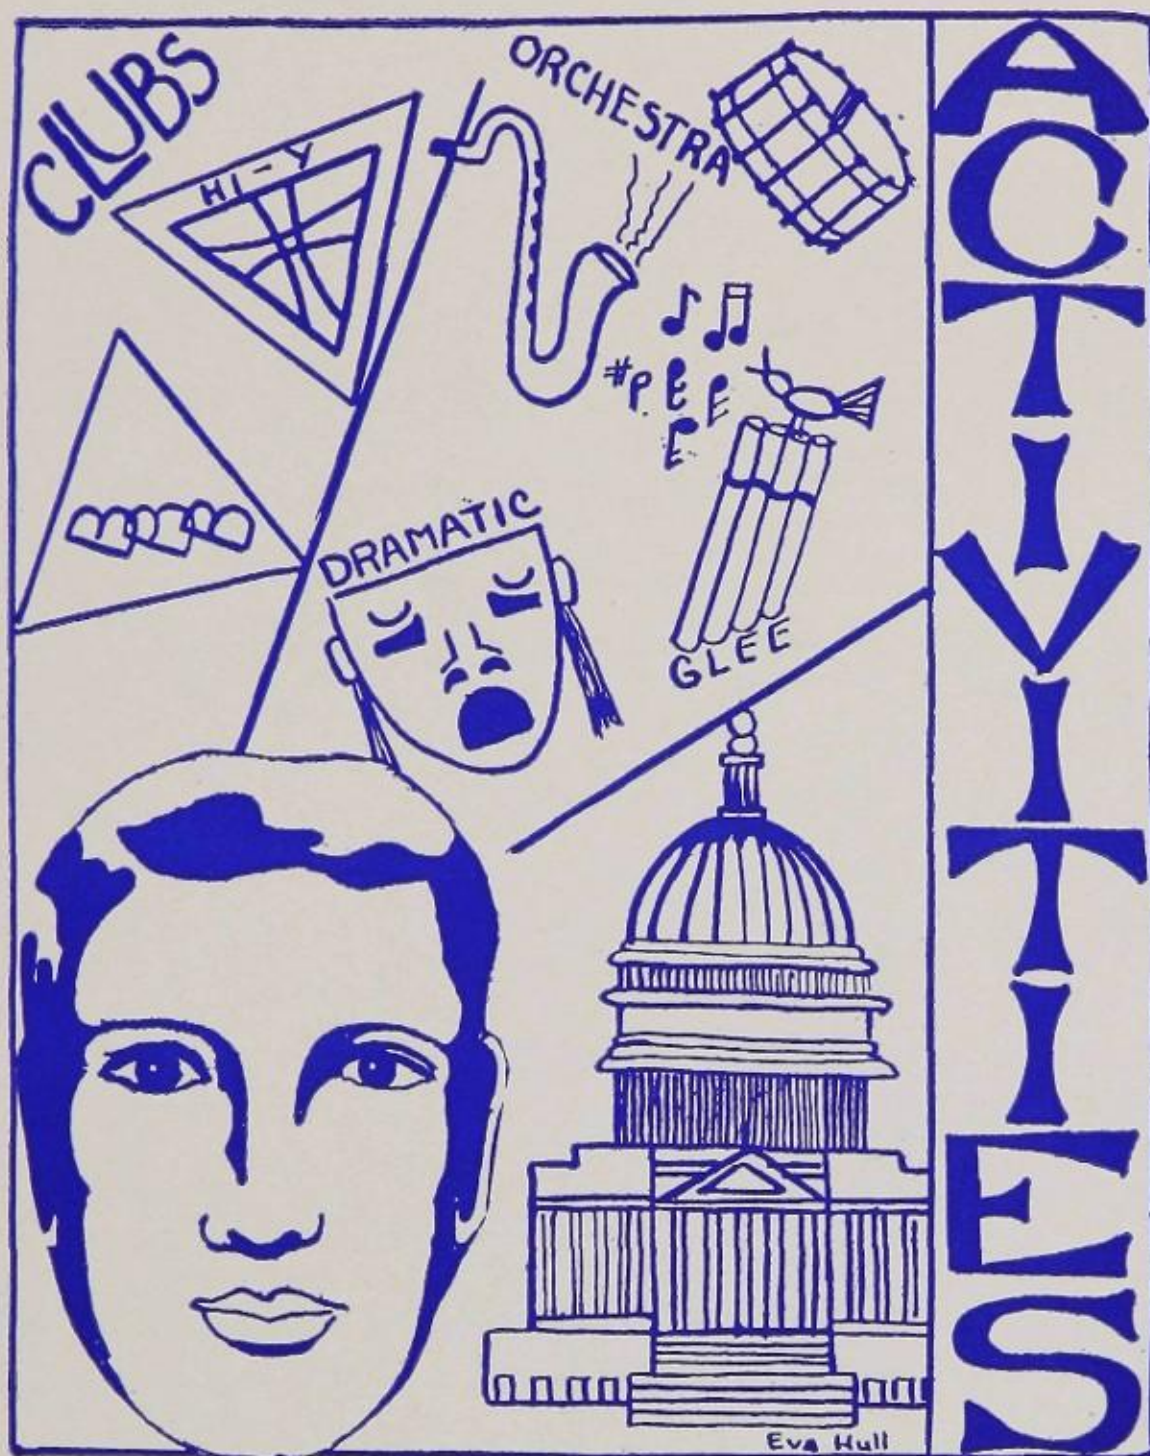

We feel proud of our achievements and are looking forward to our sophomore year with eagerness and enthusiasm.

As we senior members of the staff leave, we hope that our successors will continue to enjoy the cooperation of the student body to its fullest extent.

Whitehall Band

The Whitehall High School Band, under the direction of Mr. Lewis M. Howells, has completed another successful year.

The band was well represented (throughout the year) at all sports events including all football games, and the playoff games in which our basketball team participated.

The band presented its annual concert in April, and this event was acclaimed by all who witnessed it as the best yet.

With the war ended, the P. S. M. A. has once again sponsored its annual music festival, this year at Pottsville. Three members of our band, namely, Eugene Coval, Betty Hirschel, and John Long, were privileged to attend.

The band considered the year just ended as quite successful and looks for many others to be still more successful.

Orchestra

The orchestra, in its second year of reorganization, has increased in both size and enthusiasm. It played for the Junior Oratorical Contest and the Senior Class Plays.

Seated: Blodwyn Gyer, Audrey Gruver, Letitia Laub, Richard Buss, Catherine Turbedsky, John Long, Gloria Steyert.
Standing: Raymond Brown, John Feiler, Richard King, Dale Dimler, Carroll Williams, Carl Snyder, Mrs. Beidleman.

Debate Club

The question for debate this year was, Resolved: That every able-bodied male citizen of the United States should have one year of full-time military training before attaining the age of 24. This has been a very fascinating and intriguing question.

The Debate Club has had a very busy schedule. We tangled with South Whitehall, Slatington, Hellertown, and Catasauqua in sixteen independent debates. The Debate Club can be proud of its record. The one affirmative team, which included Carroll Williams, Letitia Laub, and Dale Dimler, won two victories out of four debates. The other affirmative team, including Richard King, Blodwyn Gyer, and Raymond Brown, also had a record of two out of four. The first negative team, John Feiler, Catherine Turbedsky, and John Long, had two defeats, one victory, and a tie. The record of the second negative team included two victories and two defeats. This team included Gloria Steyert, Audrey Gruver, and Richard Buss.

The Tournament was held on March 22, at Catasauqua. This was a "scramble" debate of three rounds each.

It is the opinion of the members of the team that much of the success of the season was due to the untiring effort and encouragement of their adviser, Mrs. Beidleman.

Girls' Chorus

The Girls' Chorus, as in preceding years, was once more a busy group. This year, the chorus instituted a new idea among Lehigh Valley Schools, the exchanging of assembly programs. Among the schools sharing in the exchange were: Allentown, Coopersburg, and Palmerton.

The Girls' Chorus also took part in the Tri-County Choral Festival at Kutztown State Teachers' College.

The annual Candlelight Service was presented to the public and to the student body. The chorus itinerary for public performances included churches in Allentown, Trexlertown, Neffs, East Salisbury, and the surrounding towns. The musical comedy, "Waltz Time," was the chorus' stage presentation this year.

We, the senior members of the Chorus wish to extend our sincere appreciation to Mr. Howells, our capable director. To the remaining members we wish to say, "Make our good reputation — better!"

Seated: Fred Bennicas, Francis Moyer, Richard Buss, Harold Loch, Earl Quigg, Robert Warke, Paul Williams, Clyde Maddox, Donald Kennedy.

Third Row: John Long, Richard King, Bertram Hilbert, Elmer Pariseau, Jack Kemp, Daniel Lerch, James Barrett, Harvey Falk, Dale Dimler, George Ruszin.

Boys' Glee Club

For the second time in a decade, Whitehall High School has had a Boys' Glee Club. More than forty boys answered Mr. Howells' appeal for applicants.

Thus far the boys have expressed greatest interest in singing "old time favorites" with emphasis on four-part harmony. They have joined with the Girls' Chorus in presenting the Candlelight Service and the musical comedy, "Waltz Time."

For this organization there is still work to be done. The renown of the Girls' Chorus offers a real challenge to all members of the club.

Student Council

The Student Council of Whitehall High School has completed its second full year.

The purpose of the Student Council, at this time, is to grant to students a chance to participate in the government of the school. We think that this purpose has been fulfilled in all of our activities that have been planned and put into effect during the year.

On a whole we consider the year just passed quite successful and hope that in the ensuing years the student council will really bring student government to Whitehall.

Its purpose is to teach its members to appreciate one of the better things of life; namely, "good music" — music that will forever hold a place in the hearts of the American people.

Senior Class Play

Our first class play, entitled "Young Barry," by Dana Thomas, was presented on December 7, 1945. It was a sequel to the play given last year, entitled "Almost Eighteen."

Just past eighteen, Eddie Barry has returned from New York, and everyone, thinking him a great radio star, hails him as the town's leading citizen. In reality Eddie has never been near a radio station, for it is a case of mistaken identity. He is asked to sing on the Monumental Co. program at home and tries to get out of it by developing a "sore throat." It is then that the clippings are found, and he is typed as the "Bad boy of radio." He decides to make a clean breast of things when Uncle George arrives with Gale Winthrop, the aspirin heiress, who rushes into Eddie's arms with the cry of "Darling." The denouncement is interesting and unusual, but comes out right for everyone.

With a fast-moving, clean-cut plot, the play was received enthusiastically by a large audience.

Dramatic Club

The Footlights Club, under the guiding hand of Mr. Wagaman, is one of Whitehall's prosperous clubs. Its chief function is to sponsor our lyceum programs. This year we were able to present to our student body nine numbers of outstanding quality. Among those presented were the following: Hugo Brandt Concert Party; Patt Patterson, cowboy, author, and hunter; Rivka Mandelkern, violinist; the Bentley Trio; Al Priddy, "That Circus Man;" and the Lewis Players, who presented the play "America."

At present, the Dramatic Club is composed of 35 members. Its purpose is to promote interest in dramatics. All students who have participated in plays and oratorical contests are eligible for membership.

We hope the members who enter next year will gladly assume the responsibility of upholding its reputation.

Our Cheerleaders

Look again! You will never see these girls as quiet as this picture would indicate. Whether you have seen every football and basketball game this season or whether you have missed them all, you have seen these "yell-birds" in action. They are everywhere. On the gridiron they keep us whipped to a fanatical frenzy, and on the basketball floor they are out there whooping it up every time they get a chance.

With Ethel Boyer as captain, these enthusiastic wearers of the Maroon and Gold have been faithful to us all year. Their duty has carried them from the heat of Indian summer to the dead cold of January and February, but they have never complained.

Varsity Basketball Season

Returning to Whitehall after four years in Uncle Sam's Navy, Robert Steckel guided this year's Varsity Basketball Annual to its most successful season in history. The "Zephyrs," under their able tutor, won the First Half Championship, and after Slatington won second half honors, the "Zephyrs" met and defeated the "Slaters" to bring the championship to Whitehall, the first in history.

After winning the league championship, the "Zephyrs" continued in district eleven playoff competition and topped South Whitehall, 41-33, but were defeated by the Allentown High Canaries, Defending State Champions, 49-23.

This year's squad also boasted two of the league's top scorers in Freddie Kimock and Curt Simmons. Kimock massed a total of 314 points, while Simmons garnered 245. Both boys were picked for this year's All-League team.

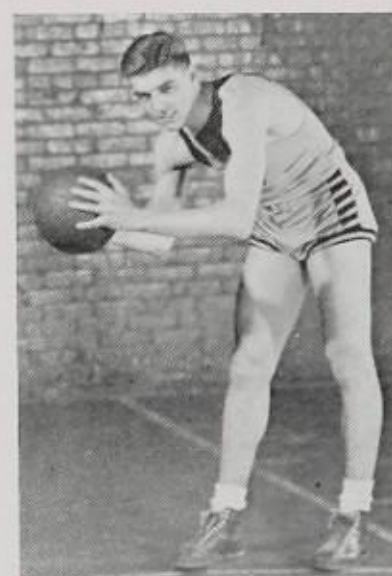

Players who will be lost to next year's squad through graduation include Dech, Kimock, Eckensberger, Sherman, Toole, and Wescoe. Next year's squad will include Simmons, Palco, Harakal, and Maddox, with the remainder of the squad to be chosen from the current Jay-Vees team.

GLORIA STEYERT

ELSIE YOST

Queen of the Junior Prom

Miss Lucille Mackovitz, of the class of 1945, originated the idea of selecting a queen of the Junior Prom.

The junior class nominates the candidate, and the senior class has the privilege of casting the votes. Miss Gloria Steyert and Miss Elsie Yost were the recipients of this honor in 1945 and 1946, respectively.

There is an impressive ceremony connected with the coronation. A fanfare is given by the orchestra at which time the queen and her twelve attendants make their entrance and proceed with the grand march. The abdicating queen crowns the new queen and presents her with a gift from the senior class.

The class of 1946 has carried on the custom set by the class of 1945 and hopes that it will become a traditional ceremony of future classes at Whitehall High School.
